### Muxika-Ugarte, Vizcaya, Spain (San Vicente Martir)

Muxika-Ugarte - Mujica in Spanish. Much like the word elejalde, Ugarte is a common basque word (tied to river) that will be connected with another town name. Also, it is common to tie 2 close towns together, such as in Guernica-Luno. This appears to be a case like the latter. Muxika is a town 1 mile south of Gurenica-Luno and Ugarte is 1 mile west of Muxika
