# CS 678 Schedule of Oral Presentations

*Please sign up for a time slot for your oral presentation. Your presentation should be 12-13 minutes long (with 2-3 minutes for questions) and should be a well-prepared overview of your project that communicates the problem to be solved, your approach to solving it and the results of your efforts. Your written paper will be due on the last day of class, December 13, regardless of when you give your presentation.*
